

# MILITARY REGISTRATION FEB. 16

## JEHOVAH WITNESSES AGAIN RUN OUT

Two members of the religious cult known as Jehovah's Witnesses were escorted across the Milam county line into Bell County late Monday by Deputy Sheriff Carl Black.

The Witnesses are Mrs. Anna Cowden and J. E. Odham who were taken into custody here some ten days ago when members of the American Legion called upon the officers to stop them from distributing literature.

George Clark, member of the Legion, said one of the tracts being distributed was titled "You Can't Starve Out Hitler."

They were told to leave and not return to Cameron or Milam County by Criminal District Attorney Morrison. No charges were filed as there seems to be some doubt as to legal procedure in such a case. Under federal regulations it is possible they might be charged with giving aid and comfort to the enemy by distributing literature.

Members of this sect refuse to salute the United States flag or any other flag.

Deputy Sheriff Carl Black said it was his understanding they might return to San Antonio and it was understood that Jehovah's Witnesses were to be asked to leave Bell County also.

Members of the American Legion are proud of their heritage of patriotism and do not believe refusal to salute the flag is a satisfactory attitude.

Mrs. Anna Cowden and J. O. Odham rented an apartment in Cameron and have been operating since December 1941. They returned to Cameron Friday and the Sheriff's Department was notified. They took their household goods and left under the Sheriff's escort.

## SCHOOL ON DAYLIGHT SAVINGS SCHEDULE

The new time—starting Monday January 9th, as adopted for Cameron schools will operate as follows:

School Starts at ..... 9:00 a. m.  
Lunch at ..... 12:00 p. m.  
Take Up at ..... 1:00 p. m.  
Dismiss at ..... 4:00 p. m.

The above schedule should be carefully noted or written down in every home in order that the pupils may be on time and observe the new time regulations.

In order to properly observe the new time for the school day all clocks must first be set forward one hour. This will be done throughout the nation as official time decreed by President Roosevelt under war conditions. It is known as day light saving time.

The difference in the time schedule for the schools is not a full hour. Confusion may result if the old time periods are kept in mind. They should be thought of no more and the above schedule adopted.

On Friday the Daily Herald erroneously stated the situation. Quoting Stanley Swift, member of the board, the time, as printed, was not in accordance with the schedule. Mr. Swift called attention to the error and this is published to correct. Pay no attention to the published story as of Friday but clip this as the correct time schedule.

While business in the city and the world over will advance its operations a full hour, actually the difference in time of the old and the new schedule at school is only 35 minutes.

## Bond Sales Are Low For the Past Week

Only \$7,900 in war bonds were purchased during the preceding week, according to the report made here Wednesday by Emory B. Camp, chairman of the Milam County Home Defense Council.

Of this amount \$5,000 worth of bonds were purchased in Cameron.

Under the present rate of purchase Milam County will not buy anything like the quota which has been assigned, in fact will not reach half of the quota that has been assigned.

The committee has apportioned the amount of bonds to the several school

## Is Candidate

CHARLES M. HICKS

## CHARLES M. HICKS FOR SUPERINTENDENT

Announcement was made today by Charles M. Hicks of his candidacy for the office of County Superintendent of Public Instruction. Mr. Hicks was one of five candidates in 1940 for the unexpired term of the late Guy T. Newton. He was in the run-off primary with Mrs. Newton and she received 234 votes more than he did out of the 6162 cast in this race.

Mr. Hicks enters this race after receiving assurances of the continued support of his many friends who supported him in his first campaign. He has also received pledges of support from many voters who supported other candidates in 1940.

The candidacy of Mr. Hicks provides the voters an opportunity to secure as County Superintendent a man who is eminently qualified for the duties of this office through training experience and natural ability. He holds a Bachelor's and Master's Degree from the University of Texas. He also holds a special administrator's certificate.

For the past twelve years Mr. Hicks has been a teacher in the Yoe High School in Cameron. During these years he has taught hundreds of Milam County children from all sections of the county. He has been the friend, councillor and companion of his students and he will continue to be on an even wider scale when he becomes County Superintendent.

Mr. Hicks' friends point out that his outstanding quality is his ability to get the job done with a minimum of friction. He believes that each school district was created to manage its own school affairs and he pledges his co-operation and help in working out their problems. He offers the school people his eighteen years of teaching experience in both rural and affiliated schools as a means of helping them advance their standards.

Mr. Hicks states that he feels that in this time of national stress political candidates should be examined more carefully than ever before and that only those candidates whose honesty has never been questioned and whose loyalty to their chosen work has never failed should receive consideration. He urges that those voters who are not fully acquainted with both his personal and professional reputation make inquiries about him. He is announcing his candidacy early enough to give everyone a chance to examine his record thoroughly. He says that his real announcement came in 1940 when he thanked the many people who voted for him and told them that he would be a candidate for the office again at this time.

Since Mr. Hicks is teaching it will be impossible for him to conduct an active campaign before the first of June. He takes this means of soliciting the vote and active support of each citizen in Milam County. He pledges a fair and just administration in which the rights of the school children of Milam county will always be his first consideration.

Nancy Smith, Eva Dell Edmonds and Thelma Noack of Rockdale were Cameron guests visitors Wednesday.

—remember pearl harbor—

## Miss Mary McDermott Becomes the Bride of Mr. Alvin C. Nolte in Home Wedding Here Wednesday Evening; Leave for Short Stay

On Wednesday evening, February 11, 1942, at 8 o'clock at the home of Mr. and Mrs. Sam McDermott, their daughter, Mary Adalaide McDermott became the bride of Alvin C. Nolte.

The ceremony was performed by Rev. Bob Pool of First Methodist Church. A simple ring ceremony was carried out in the presence of members of the immediate families.

The bride and the groom are widely known and popular and represent families who have been prominent in Cameron and vicinity for many years. The wedding came as a pleasant surprise to a host of admiring friends, and its simplicity was made impressive by its appointments.

Mrs. Winifred Wittliff, aunt of the bride, was at the piano and played Lohengrin's Wedding March as the happy couple walked into the living room where the minister awaited and members of the family were seated. During the ceremony Mrs. Wittliff played Traumerie.

The bride wore a dress of aqua blue with black accessories. She carried for something old a handkerchief which was used by her mother at her marriage.

At the conclusion of the ceremony the bride and groom received congratulations, pausing only for a brief few minutes to share with the families the happiness of the occasion, and left for an undisclosed destination for a short wedding trip.

The bride was born and reared in Cameron. After graduation from High School she attended Baylor University and also a college in San Marcos. For a number of years she has held an important position with the Citizens National Bank where her father, Sam McDermott, is also employed. She is popular with a wide circle of friends who were happy to have news of her marriage to Mr. Nolte on Wednesday evening.

Mr. Nolte was assistant cashier of the Citizens National Bank, having come to the institution a number of years ago and had received a number of promotions with the institution and was charged with many responsible duties in connection with its extensive financial affairs. He is the son of Mr. and Mrs. C. F. Nolte of Ben Arnold, a prominent family of that community for many years.

Mr. Nolte is reporting for duty at United States army headquarters in Fort Sam Houston on Monday, Feb. 16, as a volunteer in the service, having resigned his position with Citizens National Bank last week, but will return to his place in the bank at the conclusion of the war.

Hundreds of friends throughout this section were awaiting opportunity to express congratulations and to wish for the happily wedded couple a bon voyage in the way their happy romance has directed.

## Herald Wants Photos And Names of Men in The Armed Service

The Herald is compiling a record of men now in the service of the armed forces and will appreciate your co-operation.

It is impossible for this newspaper to give news stories about men in the service in every case because it does not know their names nor the branch of service they entered.

Their location now is a military secret and this information is not sought. We do now want their names and short sketches of them for our use from time to time as we have occasion to mention their names.

In time we want to publish a series of stories about all the men in service. If you have photos bring them for we want to have printing plates made. As the war goes on and after the war these clippings will be valuable. Thanks in advance.

THE PUBLISHER.

James Leath, who is with the U. S. armed forces, is now attending an Expert Mechanism School at Camp Roberts in California. His parents Mr. and Mrs. Geo Leath, heard recently from James and he is reported to be getting along fine

—remember pearl harbor—

## Only One Shotgun Turned in by Enemy Alien to Sheriff

Only one shot gun has been turned in to Sheriff Valter White by an enemy alien, although a number of such aliens reported to the sheriff that they possessed nothing coming under contraband.

There are a number of enemy aliens in the county and they must register soon.

Sheriff White, on instructions from the federal government, called upon aliens to surrender firearms and ammunition. Radios and other things were prohibited also.

## Conn R. Isaacs Is Ill at His Home

County Auditor, Conn R. Isaacs, has been ill at his home for several days.

Although improved he has yet to make complete recovery. Early Thursday morning Mr. Isaacs came to Cameron for a brief stay in his office, returning home. The Commissioners' Court was in session Thursday.

Mr. Isaacs felt obligated to his duties to make the sacrifice to spend a little time in his office during the day. Many friends here and in his home in Rockdale trust he may soon be active again.

# COTTON CROP INSURANCE QUESTIONS & ANSWERS

It is hoped the following questions and answers will be beneficial to you in having a better understanding of the Cotton Crop Insurance Program. C. W. Hinyard, Secretary, Milam County ACA.

1. What is cotton crop insurance? It is protection against loss from all unavoidable hazards in that the insured grower will be paid in cotton or the cash equivalent price per pound for that part of his crop loss covered by insurance.

2. Who writes this insurance? The Federal Crop Insurance Corporation, an agency of the United States Department of Agriculture, through the field organization of AAA.

3. Where can crop insurance be obtained? From the local AAA Office, Cameron, Texas.

4. What crops are insured by the Federal Crop Insurance Corporation? Cotton and wheat.

5. What are unavoidable hazards? All hazards over which the grower has no control. These include drought, insects, plant disease, flood, wind, storm, hail, frost, fire.

6. Will all-risk insurance cover any losses not due to unavoidable hazards? No. Indemnities will not be paid growers when crop losses result from defective or poor seed; failure to properly care for the crop or pick it; damage to quality; loss by theft; failure to replant when it is customary to do so; and failure to irrigate when insurance is written on an irrigated basis.

7. Can all varieties of cotton be insured? Insurance will be available on all varieties of American Upland, and on American Egyptian cotton in those counties where yields and rates have been established by the Corporation, but will not apply to any cotton grown

(Turn to page four)

# MEN FROM 20 TO 45 ARE LIABLE FOR ARMY DUTY

Monday, February 16, will be registration day under the Selective Service Act.

If a young man became 21 years old prior to December 31, 1941, he must register. All men between 20 years of age and 45 years of age are required to register.

If a man became 45 years old before February 16, which is the day of registration, he is not required to register, but if his 45th birthday falls beyond that date he must register.

Registration hours are 7 a. m. until 9 p. m. war time because all clocks have been moved up one hour.

Four centers have been provided for registration in the territory under jurisdiction of Local Board No. 2 at Cameron.

One place will be provided at the Court House in Cameron and the other will be provided at the office of the Local Board.

Another registration will be at Ben Arnold under the direction of Judge O. C. Nolte.

The other registration will be at

Buckholts under the direction of W. E. Kuzel.

Men between the ages of 21 and 36 who registered in 1940 and in 1941 are not required to register again.

Any man 20 years of age and up to 45 years of age may register anywhere he chooses and his card will be mailed to his Local Board.

If he happens to be away from his home he can register at any place designated for that purpose on that day.

With few exceptions registration is demanded of all male persons on that date.

There has been some confusion about the new law which provides for registration of all men from 18 to 65. It is understood that another day for registration will be proclaimed by the President for young men between the ages of 18 and 20. Military duty is exacted of all men who have become 20 years of age and up to 45. It is estimated that about 60% of the total registration in October 1940 will be registered on February 16.

## DUTCHMAN NOW HEADS U. S. FLEET IN EAST

Singapore, once proud bastion of an empire strength, was today virtually in the hands of a Mongolian horde, the little brown men of Japan who although they make unfair war are not cursed with politics.

British defenders of the city were being pushed back into an ever receding circle.

Not far away in the harbor rode 25 ships acknowledged to be there to salvage what was possible of the inferior number of British and Australian soldiers whose job it was to defend the Island without help.

It is another Dunquerque for the British.

Already repercussions were being heard in political circles in London and a noon broadcast said that Britain has been rocked over the loss of Singapore as severely as over Dunquerque.

Japanese bombing planes were swarming over the city of Singapore and the ships lying in the harbor to take away the battered soldiers if possible, were being bombed and some were being sunk.

The Japanese say the 25,000 British soldiers are trapped. That number is taken to be the entire force which the British had felt was sufficient for the delaying action in Malaya.

It now develops that the British nor the United States apparently had any intention of successfully defending either Singapore or the Philippine Islands.

What remains to be seen with regard to defense of the Dutch East Indies is only a guess. Honest observers, free from the folly of appeasement and extraditions to labor, have written off as lost not only the Dutch East Indies, but Australia as well.

The United States has begun the evacuation of women and children from the Hawaiian Islands. The Islands too are under virtual siege and with their fall the whole western world will be attacked by the Japanese. (Turn to page four)

## Facing Charges For Burning Pasture

Houston Ochs of Taylor will have to answer to the grand jury for his responsibility in a pasture fire that destroyed not only many acres of grass and timber but a dwelling.

Ochs is a truck driver and according to information was seen to throw materials from his truck which ignited and started the fire east of Milano.

It is a rare case and nobody seemed to remember when, if at all, such a case was ever filed here.

An indictment was returned last week but was found to be faulty through a clerical oversight, it was understood.

## Is Named

DR. W. R. NEWTON

## DOCTOR W. R. NEWTON HEALTH COORDINATOR

Emory B. Camp, Chairman of Milam County Defense Council, announces the appointment of Doctor W. R. Newton, of the Newton Clinic, to Health Co-ordinator of Milam County. Doctor Newton will be Chairman of Health and Emergency Medical Service. He has plans under way whereby proper organization and coordination may be instituted along these lines.

In the event of an enemy attack, grave destruction of property and personal injury to civilians will probably occur and adequate professional medical service may not be immediately available in many places. This course is prepared to train and acquaint Civilian Defense workers in Emergency First Aid care.

## New Yarn Quota is Here; Red Cross is Getting Good Response

Mrs. F. C. Fahrendorf, now directing the knitting campaign for the American Red Cross, is making a fine success of the job and is getting co-operation everywhere.

Mrs. Fahrendorf requested the Herald this morning to say that all those who have yarn not used from the knitting of small blocks should leave the yarn at the Winfield store to be reapportioned to knitters.

Mrs. Fahrendorf said also that a new quota of yarn has been received and can be obtained at the Winfield's Dry Goods store. It is urgent that the present rate of co-operation be maintained that garments so badly needed for war stricken portions of the world be completed in quota numbers.

The American Red Cross have always served and is now serving and Milam County is getting very good response.

## Personal Mention

We don't experiment with your radio—We repair it—You pay less for our service. See us for Philco Radios.

Parma Radio Service.

Richard Hurt of Milano was a Cameron business visitor Saturday.

Mayor E. A. Camp of Rockdale transacted business in Cameron Tuesday.

Mr. and Mrs. Frank Silhan and children of Leveland are visiting their mother Mrs. Janie Bishop for a few days.

Mrs. Earl Bailey has been confined to her bed for the past few days; threatened with pneumonia, but at this time she is improving.

Marie Mode is confined to her bed with influenza and the measles. Her friends wish for her a speedy recovery.

W. O. Loftin of Buckholts was a Cameron visitor Saturday.

Ruth Cryer of Crush transacted business in Cameron Saturday.

Sgt. Clyde Dyer of San Antonio visited his mother, Mrs. Myrtle Noff over the week end.

Mr. and Mrs. Allie Younts, Mrs. Bill Pugh and son of Cameron, Mr. and Mrs. Tommy Kolinek and son of Temple spent the week end in Taylor visiting their parents, Mr. and Mrs. Robert Bice. Miss Lillian Bice returned with them for a week's visit.

Mr. and Mrs. H. N. Maddox observed their 52nd anniversary today, Tuesday.

Miss Lorene Frazier of Austin spent this past week end with her parents, Mr. and Mrs. W. R. Frazier of Cameron.

Mrs. Watt Skinner of Rogers, visited her brother and sister in law, Mr. and Mrs. Joe Denson. Marjorie Denson and Margaret Horstmann, returned with her and spent the week end there.

Sam Tyson is leaving today for Austin, where he will report for duty in the Navy.

For Better reception try Philco Tubes.

A. J. Garner of Rockdale is observing his 80th birthday today, February 9th, 1942.

Ross McQuary of Lilac transacted business in Cameron Saturday.

Mrs. Tom Choate of Buckholts was a Cameron business visitor Saturday.

Post greetings from Mrs. W. D. Bigbee tell of the lovely stay she is having in Central America, where her husband is employed as engineer at a airport that will soon be completed. She speaks interestingly of the country, the people and places of interest but says, "there is no place like good old USA" and may return here soon.

Rev. J. P. Love, rector of the Episcopal Church, who has been ill at his home is now much improved and held services here at his church Sunday morning.

Mrs. Lou Meyers is visiting her daughter, Mrs. Von Risenberg in Austin this week.

Miss Albina Maine of Palestine, has accepted a position here with the Bryan Credit Productive Association, and is located at the C. N. Green home.

Mrs. Brooks Brady who has been visiting here several days returned this morning to her home in Houston.

TUESDAY, NOVEMBER 27, 1917

### Making a Soldier of Sugar

AS we have sent men abroad to fight for America—as we have sent money—as we have drafted steel, with other commodities, into fighting-service or enlisted wheat and other fighting-foods—so we must make a soldier of sugar.

Nutrient for the nations at war is as vital to the outcome as the powder that feeds the guns. A great nutrient in time of peace—in war a veritable sinew—sugar is now called upon to play a heroic part, to supply the peoples of our Allies—whose strength is ours.

To wrap up sugar in the American flag, so to speak, and put it into the fight becomes a duty of loyalty. It will be borne cheerfully by every industry, every dealer, and every individual it falls upon. Upon certain industries it falls heavily—and especially on the workers who derive their living from them. Yet the American civilian is in this war with the soldier. American business great and small, American capital from Wall Street to the remotest country bank, is with the Government every step of the way. The U. S. means U. S. All of us, are in the fight with everything we have, the best of everything we can.

This company regards it a privilege to comply with the government's request, to reduce consumption of sugar, to conserve it, to use it wisely. At the end of conservation we pledge our efforts in every direction that opportunity may disclose, in manufacture as well as beyond the scope of our immediate interests; and in this effort generally we bespeak the co-operation of dealers and consumers everywhere.

THE COCA-COLA COMPANY  
ATLANTA, GA.

## WORLD WAR I 1917

The United States Government restricted the use of sugar in World War I. The response of The Coca-Cola Company was expressed in the newspaper advertisement reproduced at the left.

# Again, Sugar enlists for Victory

## WORLD WAR II 1942

History repeats itself in World War II. Sugar has been called to war again. Our government has restricted the use of sugar for all. Naturally, that includes Coca-Cola.

You'll continue to find Coca-Cola around the corner from anywhere, though we regret that you won't be able to enjoy *the pause that refreshes* as often as you might like. Our volume has been reduced. But this we pledge: the character of Coca-Cola will be unimpaired. The American people can continue to trust its quality.

As in 1917, we count upon the patience of dealers everywhere. Conserving sugar is another step toward Victory. Whatever any of us may have, or may not have, Victory we must have above all else!

THE COCA-COLA COMPANY

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

COCA-COLA BOTTLING COMPANY, Cameron, Texas

## Now A Lieutenant

LIEUT. THOMAS J. WHITE

## Is Commissioned Lieut. in Army Air Corps at Ellington

Thomas Jefferson White, of Cameron today received his pilot's wings and was commissioned a Second Lieutenant in the Army Air Corps at graduation service held in Ellington Field, Texas, the world's largest multi-motor flying school.

Leaving behind seven months intensive training as an Aviation Cadet, he leaves Ellington, where he took his advanced instruction, to put to work all the detailed knowledge and practical training he has received. He will either participate in active combat duty or he will be assigned to an Air Force Command as an instructor.

Good flying weather coupled with a stepped-up program enabled the men, the first class of pilots to graduate at Ellington this year, to finish their training two weeks ahead of schedule.

While at Ellington, the class of 42B, the largest group of its kind at this field, were training on the world's greatest network of concrete airplane ramps. The "new" Ellington, vastly different from the World War Field of 1917-1918, which was little more than a cluster of flimsy hangars and unpaved runways, is now one of the most modern and complete flying fields.

Here at Ellington, the Flying Cadets received ground school instruction, combat orders, precision and instrument flying, radio work, high altitude flights and problems in "blind" or on-the-beam flying, this last of which was given in the Field's great Link Trainer buildings.

Lieut. White graduated from Yoe High School in Cameron in the June class of 1936, as Valedictorian of his class. In September he entered Rice Institute for a degree in Chemical Engineering, graduating in June 1940 class. Based on three years of student work he was elected to Phi Beta Kappa as a Junior and received the Institute Engineering award.

Lieut. White on invitation of Dr. Bray, Professor of Mathematics, returned to Rice in the fall of 1940 to work on his Ph. D. Degree in Mathe-

matics with the view of becoming a member of the faculty, or to devote his time to research work in Mathematics and Chemistry.

When Congress passed the Selective Service act he sought appointment in the Army Air Corps as a flying cadet. When the application was delayed he volunteered for induction and was sent to Dodd Field where he completed preliminary training. He was assigned to duty with the Post Medical Detachment at Fort Sam Houston and in July of 1941 was accepted in the Army Air Corps. He reported to the training center at Muskogee, Oklahoma, where he completed his primary work. In October he went to Randolph Field where on December 12 he was graduated from basic school with assignment to the advanced training at Ellington Field, Houston where he completed his seven months of intensive work and received his Commission on February 6, 1942.—Public Relations Office at Ellington Field.

## Bank to Observe Daylight Savings Time; Start Feb. 9

Cameron Banks will observe Daylight Saving time beginning Monday, February 9.

W. O. Newton, active Vice President of the Citizens National Bank, said a meeting had been held of bankers in the county at which time a schedule was agreed upon and the hours will be the same as heretofore observed by the banks for banking hours, but all clocks will be advanced one hour.

The Banks will open at 9 o'clock in the morning and will continue to open at 9 o'clock according to the clock, but in reality they will open at 8 a. m. sun time. In the afternoon the banks will close at 3 o'clock according to the clock, but in reality according to sun time they will close at 2 o'clock.

Patrons of the bank should remember that banks will be opened an hour earlier according to the sun and this schedule will be observed among all the banks in the county.

## Home Economists of Milam County Meet Here Feb. 11

The Home Economists of Milam County will hold their regular monthly meeting on Wednesday, February 11th, at seven o'clock in the Home-making Department at Yoe High School.

The group is made up of college trained women who specialized in various fields of home economics. It was organized last year through the efforts of various state and national agencies and organizations which deal primarily with home economics. The purpose of the organization in the county is to further knowledge of nutrition and to aid in the defense of the nation.

Miss Maurine Hollas, who is attending Johnson's Beauty Academy in San Antonio arrived here Tuesday to visit with her parents and brother, Ervin Hollas, who is also home for a few days.

## SINGAPORE AND INDIES BELIEVED NOW DOOMED

The policy of appeasement was brought to its logical conclusion in the far east today as the whole cause of the United Nations appeared doomed.

Not one air plane could rise over Singapore nor could the proud fleets of America and England make any contribution to the defense of that vital naval base.

Since 1935 the United States has followed a policy of appeasement. This country not only refused to concentrate any naval or military power in the far east but for the past 14 months has declined to make any appreciable effort to raise an army in this country.

The results are now beginning to be shown and the whole picture in the far east was one of blackest despair.

The United Nations were without naval power or air power and the Japanese assault upon Singapore was proceeding virtually unchallenged except for the land forces of a small army which is typical of British strategy.

Reinforcements on the Island of Luzon in the Philippines were being made in such numbers that hope has been virtually abandoned and the Dutch who have fought a valiant fight in the Indies were forced to concede that the Japanese are within striking distance of all vital points in Java and Borneo.

Australia was further menaced by new landings of British Guiana. The Japanese have finally won control of Macassar Strait and by admission of American-British sources admit complete naval mastery has been won by the Japanese and as yet no American air power except for a few brave souls fighting over the Burma Road, has made its appearance in the theatre of war.

As the picture looked today the continent of the United States will be attacked. If and when the Japanese bring this continent under siege the policy of appeasement will have borne its full fruitage and the war will finally be brought home to the American people.

The Japanese are repairing the cause way across the Strait of Johore leading to the main Island of Singapore. In the French campaign of last summer the commanders failed to destroy bridges and the Germans marched through France unimpeded. The whole Island is in great jeopardy and the Japanese are now within 8 miles of the city limits of Singapore.

A transport has been sunk by Japanese ships or submarines in the waters of Hawaii with a loss of 29 lives.

The Japanese have landed 5 divisions of soldiers in Malaya for the assault on Singapore.

Reinforcements which General Wavell promised to the defenders of Singapore apparently have vanished into thin air.

## Federal Car Stamps May Be Here Monday

J. R. Hays, postmaster, said Saturday he expects to receive another consignment of federal auto tax stamps Monday.

More than 3000 car stamps were sold out of the local office last week. The supply was exhausted.

Many car owners have been unable to buy these stamps but may get them soon.

Mrs. Herbert Massengale of Maysfield was a Cameron business visitor Friday.

Mrs. Mattie English is observing her 74th birthday today, Saturday.

**HURRY**  
the supply is limited!

Grand Prize Bock is a mighty special beer . . . one that's placed on sale for a few days only each year. So enjoy this rich, hale and hearty brew. Stock up your refrigerator with Grand Prize Bock Beer today. In a very short time your dealer's supply will be exhausted, so don't delay.

## CROP INSURANCE

(continued from page one)

primarily for experimental purposes.  
8. Can cotton seed production be insured?

Yes. Loss of cotton seed will be covered by increasing the amount of any lint cotton by 19 percent.

9. Does crop insurance protect a grower against loss in price?

No. Crop insurance guarantees yield only, not price.

10. Must a grower insure every year?

Crop insurance is entirely voluntary on the 1942 crop. However, to get the maximum protection from insurance, a grower should take out crop insurance every year.

11. When must a grower apply for insurance?

Before starting to plant or on or before March, 1942, whichever is earlier.

12. When is the insurance in effect?

It goes into effect when the crop is planted after the grower signs his application.

13. How long is the 1942 insurance contract in effect?

Until the crop is weighed in at the gin or until January 21, 1943, unless the date is extended in writing by the Corporation.

14. Can a grower insure part of his cotton acreage?

A grower must insure all of his cotton acreage in the same county.

15. What does the term insurance unit mean?

An insurance unit is all the acreage on a farm in which the insured has an interest at the beginning of planting and at the beginning of harvest, except for special cases.

16. On what is the amount of lint cotton insurance per acre based?

It is based on the production record for the farm or other insurance unit over a representative period of years. If such record is not available, it is appraised. Coverage may be either 75 or 50 percent of the average yield.

17. On what is the premium based?

The premium is based mostly on the cotton crop loss experience for the county. If adequate records for the farm are not available, it is appraised.

18. Can a grower ask for an adjustment in his lint cotton insurance per acre, his premium rate, or both?

Yes. If he thinks a mistake has been made, he can appeal to his county AAA Committee within 15 days from the receipt of notification of his

lint insurance per acre and rate.

19. How are premiums paid?

By signing and paying a commodity note.

20. What is a commodity note?

It is an agreement to pay the Corporation the amount of the premium either in cotton or in the cash equivalent of the cotton.

21. What is the maturity of such a note?

That will vary by areas. These notes will be due about cotton-picking time in various localities. If loss is prior to harvest the day when settlement of an indemnity is figured, or the day an application for a loan on the indemnity cotton is made.

22. Will the insurance be cancelled if payment is not made when the note matures?

No. The note provides that where premiums are not paid when due, the insured grower allows the Corporation to deduct the cash amount of the premium (1) from his indemnity, if any, on the basis of the established commodity price the day the note comes due; (2) from the first farm program payment due him; or (3) from the proceeds of any commodity loan made under a program administered by the Secretary.

23. Can payment after maturity be made in terms of the commodity itself?

No. If payment is made on or before maturity, it can be made in cotton or the cash equivalent price per pound. If payment is made after the note falls due, payment must be made on the basis of the cash equivalent price per pound.

26. Who decides the amount of crop loss on an insured farm?

The County AAA Committee or their representative who work with the grower in arriving at a settlement. This determination is subject to the approval of the Corporation.

27. On what basis are premium and indemnities figured?

They are figured in terms of pounds of lint cotton of the grade and staple length specified by the insured within limitations set by the Corporation.

28. How are indemnities paid?

With a certificate of indemnity.

29. What is a certificate of indemnity?

It is a written order issued by the Corporation. This may be used to obtain the cash equivalent price per pound of the indemnity from the Corporation or to obtain a commodity loan from the Commodity Corporation.

30. How can this certificate be converted into cash?

By sending it to the Corporation and receiving a check in return.

31. How does a farmer get a loan on his indemnity cotton?

Loans on a certificate of indemnity may be obtained in accordance with instructions issued by the Commodity Credit Corporation.

32. If a grower has insurance on more than one insurance unit, does he get a separate loss adjustment for each?

Yes.

33. If a landlord, tenant, or share-cropper insures his portion of the crop, must the other also insure?

No. Each person may insure his interest in the crop.

34. What is done with premiums paid the Corporation?

They are used to purchase cotton which is stored by the Corporation for use in paying indemnities when crop losses occur.

35. Can this cotton be used in any other way?

No. It can only be used to pay indemnities.

36. Can a farmer sell his insured crop before picking?

Yes.

37. Can a grower borrow money on his crop insurance contract?

The contract can be assigned as collateral for current loans, for advances to grow a crop, or to make certain payments due under existing agreements.

38. If premium collections are less than indemnities, how can the Corporation pay all indemnities?

The Federal Government authorized a capital stock of \$100,000,000 for the Federal Crop Insurance Corporation when the wheat crop insurance program started. This capital can be used when necessary to pay excess cotton and wheat losses. It is anticipated that such payments out of the capital stock will be replaced in those years in which the premium collections are more than the indemnity payments. Administrative costs of cotton crop insurance are paid by the Federal Government.

## WITH THE BAPTISTS

Well, Baptists are suffering a little bit from sickness but we haven't lost the fort yet. 251 were in Sunday School and 89 in Training Union. Offerings totaled in Sunday \$99.50

Our monthly business session was held Wednesday night. Its the one monthly business session that all seem to love. It looks mighty good to see mother with supper and father with the children all enter our dining room for fellowship and business in the Lord's kingdom.

Our leaders and WMU are having for our young people's organizations a Valentine tea at 5 Friday, Feb. 13. If you read this before time consider yourself invited and be with these fine young Christians as they gather.

Friday night we go to Ben Arnold to put on "Poor As Church Mice." Supt. Bridgewater just left the office after tendering his warm co-operation with our coming. I like a Superintendent like that. I appreciate that courtesy. To all in and around Ben Arnold we invite you to the church for this play. The good Baptist leaders are putting everything in readiness.

In a world gone mad you will do well to be in this service, 7:45 is the time. (We follow new time, no change.)

9:45 Sunday School, "Jesus and the Ministry of Healing." Find yourself a Sunday School class and attend. Pastor teaches, Men's Bible class and Sunday will expose the healing "Bunk" that infests our parts.

11:00 Sermon, "The Power of the Baptist Faith."

6:31 Training Union, "Strong Muscles Come from Hard Work."

7:41 Sermon, "Damn Or Save American Which?"

February 16-20 each night at 7:00 we will have Training Union Revival. There will be good courses for all, and a guest speaker each night. Don't miss it.

Child Welfare Board

Meets in Cameron

The Milam County Health Board and Child Welfare Board, met with Mrs. Henry M. Hefley, Cameron on Thursday afternoon, February 5th.

Miss Marion Rio reported on the excellent response from the parents, to the Child Health Clinic, held last month.

The portable X-ray Tuberculosis Clinic was held in Cameron, Monday morning, and in Branchville, Monday afternoon.

The Tuberculosis Clinic is furnished by the State Health Department for the purpose of X-raying indigent tuberculosis patients, or suspects, or contacts of tuberculosis patients.

Ten cases, mostly Child Welfare, were reported on.

Mrs. Carl Black, Easter Seal Sales Chairman, reported that the Easter Seal Sales would start in March as planned.

Mrs. Adolf Winfield will be Easter Seal Sales treasurer and Mrs. Ben Reichert, Publicity Chairman.

The next meeting will be held in Rockdale on Thursday, March 5th.

Mrs. Lula Mae Paris, the new County Health Nurse, was welcomed by the Board members.

## Mrs. Agnes Gelner

Zalkovsky

Mrs. Agnes Gelner Zalkovsky, 77, died at the family residence on Feb. 3, 1942.

Mrs. Zalkovsky was born in Slatina, Czechoslovakia, on January 13, 1865, and came to America when she was 18 years of age. She left the old home land in 1883 and when she arrived in America she settled in Milam county where she has since lived.

She was married to Frank Zalkovsky on October 16, 1909.

Funeral services were held Thursday morning at St. Monica's church with Rev. George Duda officiating. Interment was made in the Catholic Cemetery at Cameron with Marek-Burns in charge.

She is survived by her husband, Frank Zalkovsky and two brothers, Frank and Charlie Gelner.

Pall bearers were: Anton Mikula, Ben Vybril, Joe Horelica, John Jedlicka, Frank and John Hubnik.

## CARD OF THANKS

We want our friends to know how grateful we are for their kindness to us during the recent illness and at the death of our dear wife and sister, Mrs. Agnes Gelner Zalkovsky. To our neighbors and friends we send our thanks for each word of sympathy and each act of kindness. We thank those who gave flowers and all who in any way assisted us.

Frank Zalkovsky.  
Frank Gelner.

## WEEMS-BARBER

On Friday, February 6th at 6:30 m in the evening at the First Methodist Church of Cameron, Miss Virginia Inez Weems, daughter of Mr. and Mrs. Owen Weems, became the bride of George Lincoln Barber, Jr., of Houston, son of Mr. and Mrs. George Lincoln Barber, 524 Dallas Ave, Jacksonville.

The single ring ceremony was performed before the altar banked with large baskets of Licard Gladiolas and with white burning Cathedral tapers with the Rev. J. Coy Williams of Rosebud and the Rev. Bob Pool of Cameron officiating. Nuptial music was given by Mrs. Inez Collins, soloist who sang "I Love You Truly" and Mrs. J. L. Cinton, organist, who played Traumer during the ceremony and the traditional wedding marches from Lohengrin and Mendelssohn. Mrs. Cinton was gown in a lace blue, with pink carnation corsage and Mrs. Collins wore rose with white corsage.

The bride, who was given in marriage by her father, was gown in white taffeta faille. The wedding dress was made floor length with the long torso lines; sleeves, ending in points over the hands, were made of white lace. At the neck was a tiny peter-pan collar of matching lace. From the neckline to the hipline there were tiny covered buttons down the front. Her veil was of bridal illusion, falling in folds from a heart shaped halo of finger tip length.

She carried a small white Bible, showered and topped with a single white orchid. The Bible was borrowed from a life long friend, Miss Mary Ellen Cottle.

For something old she wore a good rooch which belonged to her maternal great grand mother and for good luck in her shoe she wore a silver dollar which was given her by her paternal grand mother, Mrs. A. N. Weems at birth.

The bride was attended by Miss Sarah Barber, sister of the groom as maid of honor. Miss Barber was gown in Dusty Rose Moire Taffeta. Her dress was made along the same lines of the bride's dress. She carried a hand tucked muff to match her dress upon which there was a showered muff corsage. She wore matching flowers in her hair. Mrs. John Lane Baskin of Cameron was Matron of honor. Miss Helen Marie Taylor of Waco was the bride's maid. Both were gown in blue taffeta faille dresses, fashioned with long torsas, lace yokes and sleeves. They carried hand tucked muffs made of matching material with muff corsages. They wore matching flowers in their hair.

Little Miss Gloria Weems, daughter of Mr. and Mrs. Robert Weems, attended the bride as flower girl. Her dress was of yellow taffeta faille. The dress was fashioned with a tight bodice and full skirt. She carried a matched basket and wore pale pink flowers in her hair.

Mrs. Weems, mother of the bride, was attired in black crepe Romaine with sequin trim.

Mrs. Barber, the groom's mother, was attractively dressed in dusty pink with blue accessories. Her flowers were white camellias.

A reception was held at the home of the bride's parents following the ceremony. Only members of the bridal party, immediate families and close friends were in attendance.

The refreshment table was covered with an imported white lace cloth, the table was centered with a heart shaped wedding cake on either side of which were white tapers in crystal holders.

Miss Barber presided at the silver service with Miss Taylor and Mesdames Baskin, Cottle, Kinard and Beasley assisting.

Out of town guests were Mrs. E. J. Duncan of Waco, Mr. and Mrs. Lincoln Barber, Ann and Linda Barber, Miss Marjorie Black, Joe Mack Evans, Lena and Carolyn Hatchkiss and Beverly Blankenship all of Jacksonville and Rev. and Mrs. J. Coy Williams of Rosebud.

## WAR

(Continued from page one)

General Douglas MacArthur, a soldier after the American fashion, cannot hold out much longer in Luzon. Hemmed up on a small portion of Bataan Peninsula, his food supplies are fast diminishing.

The crowning amazement of the week was appointment of a Dutchman to command the American fleet. No one doubts the ability nor the sympathy of Admiral Helfrich, but it seemed to most Americans that the good Old Admiral who used to stand on his sea legs and fight until his ships went down or was victorious, has pinched out.

Jim Pate of Minerva was a Cameron business visitor Wednesday.

Why buy low grade inferior dark cotton seed meal made from damaged West Texas seed when you can get Cameron Cotton Oil Company Canary Yellow Meal?

## NOTICE

This is to give notice to the public that cotton receipt No. 116111 issued in the name of Mrs. Sam Harrell on the 29th day of November 1941, by the Cameron Compress Company, for One Bale of Cotton delivered by her to that Company, has been lost, and that the undersigned is legal owner and holder of said cotton, and the public is warned not to accept said receipt or to deal with same in the hands of any other person.

Mrs. Sam Harrell.

Cameron Cotton Oil Company Canary Yellow Meal guaranteed fully 43% protein and sweet and fresh.

## Firemen Learn of Incendiary Bombs

Cameron Firemen learned about incendiary bombs Monday night from Deputy Sheriff LeRoy Massengale who has completed a course under the Federal Bureau of Investigation.

Dr. W. R. Newton took to the Firemen on the new health organization which is being undertaken here under war time conditions.

The Firemen are anticipating the important work of Civilian Defense and appreciated the talks of Mr. Massengale and Dr. Newton.

Buy only Cameron Cotton Oil Company Canary Yellow Meal.

## Hybrid Corn for 50 Demonstrations Here

Enough hybrid seed corn for approximately 50 demonstrations has been purchased by the First National Bank and the Cameron Chamber of Commerce, according to J. W. Stufflebume, Jr., County Agent.

The seed corn will be used principally with 4-H Club boys and a few adult farmers, and will be planted alongside one or more acres of standard corn so that a check in yield can be made.

Experiment station records have shown that hybrid corn has consistently out yielded the standard open-pollinated corn by around 20 per cent, and these demonstrations should be of special benefit to Milam County farmers.

Tours of the demonstrations will be made next fall in order to see the demonstrations. For further information see your County Agent.

Canary Yellow Meal made by Cameron Cotton Oil Company is made from fresh sound seed and is sweet and fully 43% protein.

## Two Get 3 Years In Prison for Burglary And Theft Charges

Three years in prison for burglary and felony theft was the judgment of the court here Monday morning in the case of C. L. Gatlin and Darmon Barger of Itasca.

Judge Graham Gillis sentenced the men to State Prison for three years following their indictment here by Grand Jury and their plea of guilt in District Court this morning.

Burglary charges against the men grew out of their entry into the Schiller Service Station and the felony theft charge was filed for theft of an automobile from the John Muse Motor Company.

The men were arrested in Itasca based on information furnished by the office of Valter T. White, Sheriff.

## Federal Auto Stamps Have arrived in City

J. R. Hays, Postmaster, announced Monday he had received another consignment of Federal Auto Tax Stamps.

These stamps must be placed on all automobiles and trucks. They cost \$2.09 and must be renewed in June at which time \$5 will be required.

Many car owners were unable to buy stamps because the supply was exhausted.

Canary Yellow Meal made by Cameron Cotton Oil Company is made from fresh sound seed and is sweet and fully 43% protein.

## CHRISTIAN SCIENCE SERVICES

"Soul" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 15, 1942.

The Golden Text is: "Lo, this our God; we have waited for him, and he will save us: this is the Lord; we have waited for him we will be glad and rejoice in his salvation" (Isaiah 25:9.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And I will set my tabernacle among you: and my soul shall not abhor you. And I will walk among you, and will be your God, and ye shall be my people" (Leviticus 26:11, 12.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Soul must be incorporeal to be Spirit, for Spirit is not finite. Only by losing the false sense of Soul can we gain the eternal unfolding of Life as immortality brought to light" (page 335.)

It does not pay to feed off colored dark cotton seed meal made from off grade seed. Use only Cameron Cotton Oil Company Canary Yellow Meal.

## MRS. E. G. LOWE SUFFERS SEVERE INJURY TUESDAY

Mrs. E. G. Lowe, now in Cameron Hospital, critically injured, was reported to be improved.

Mrs. Lowe suffered a badly broken hip Tuesday when she accidentally fell in the office of the county clerk, while attending to business there.

Mrs. Lowe, following the death of her husband the late E. G. Lowe, was made manager of the county farm.

Miss Sally Graham visited friends in Marlin and Rosebud over the week end.

Jim Perkins of Hearne was a Cameron business visitor Wednesday.

## HART IS RELIEVED

Admiral Hart, chief of naval operations, has been relieved of his post due to ill health. He is 64 years old. Vice Admiral C. E. L. Helfrick has taken over. Helfrick was born in Java, and is Dutchman.

Cameron Cotton Oil Company Canary Yellow Meal guaranteed fully 43% protein and sweet and fresh.

districts based on values and Cameron's allotment is \$227,000.

Elton Kornegay of Bethlehem was a Cameron business visitor Wednesday.

all over the South

## Mail Service Here Stepped Up Hour

Mail deliveries will be stepped up one hour in the city beginning Monday according to John R. Hays, postmaster.

The occasion is the daylight saving time announced by the President in accordance with the war effort.

Mr. Hays points out that although the deliveries will be made by the clock the men will begin work one hour earlier each day by sun time.

Places of business not open at 7 a. m. sun time should make provision for their mail to be delivered. A box or s'it in the door will serve. If no place is provided and the business is not open mail will be returned to the postoffice.

Beginning Monday daylight saving time will be observed by the postoffice. This means 8 a. m. as usual by the clock but actually 7 a. m. by sun time.

## Frank M. Newton Gets Wings; Now A Lieut. In Air Corps

Frank M. Newton has been graduated from Luke Field in Arizona, and is a Lieutenant in the Army Air Corps.

Mrs. W. R. Newton, Sr., mother of the Lieutenant, received a card invitation from the field which said that graduation exercises would be held on Friday, February 6th.

Luke field in Arizona is in the West Coast training area. Frank is a member of the 42-B class. He entered the air corps as a flying cadet and received his primary training in California and received his advanced training at Luke Field.

R. B. Carlton of the Elm Ridge community, is observing his 93rd birthday today, Friday, February 13, 1942.

## ALLIES TAKE TOLL OF FOUR JAPANESE SHIPS

The sea toll of the United Nations exacted of the Japanese in the South Pacific Saturday had reached a total of four ships.

An official communication said that a Japanese transport, one cruiser, one destroyer, and probably a submarine, all sunk.

American fliers over Rangoon in Burma shot down 4 Japanese ships and scattered a 24 plane attack and 4 planes were shot down east of Java with one American plane lost. In the air battle over Rangoon none of the allied ships were lost.

Singapore was bombed twice this morning and there is considerable artillery activity on most fronts with the main attack yet to come.

There was nothing to report from Manila Bay where General MacArthur has thrown back all Japanese attempts to break his lines.

The Red Army in Russia is gaining momentum and is said to be in top pitch not only to stop the Nazi, but to push on with the great offensive.

France is helping Germany in north Africa.

The United States submarine S-26 was sunk in a collision at some undisclosed point with considerable loss of life.

Admiral Kimmel and General Short who were in charge of the armed forces in Oahu when the Japanese attacked Pearl Harbor, have asked for retirement. They were relieved of their command ten days after the attack.

Mrs. Alvin Roznos, Mrs. Mary Macal, Angelina Roznos and Mrs. Rosnia Roznos were Caldwell visitors Wednesday. They returned Wednesday night.

## President's Birthday Funds Near \$130.00 Final Report Shows

Charles M. Hicks, chairman and director of the President's Birthday celebrations in Cameron and vicinity to raise funds for the cure and prevention of infantile paralysis, submits the following report.

|                        |         |
|------------------------|---------|

## "Uncle Sam" Needs Transporation

Let's "Keep 'Em Rolling"

... by conserving rubber!

TODAY our first duty is co-operation, in every way possible, to help win the war, and "Uncle Sam" has specified conservation of rubber and automobiles as a "must" in our victory program.

Since, as an important war measure, new automobiles and tires are being rationed for only the most essential types of work, we are compelled to discontinue collection tours for picking up payments of electric service bills. Electric service bills may be paid at our office or one of our agencies or by sending payment by mail.

This will conserve automobiles and rubber for essential services.

Electric service bills for this district may be paid at:

TEXAS POWER & LIGHT OFFICE,  
Cameron, Texas

## Tenderfoot? I'll Say; Andres Soaking Pedal After Tumbler Match

Tenderfoot Scout, John C. Andres, is at home soaking his foot after an encounter with Scouts of Troop 52.

It seems Johnnie picked the wrong end of his anatomy to hit the floor with in a tumbling match and the result was rather disastrous to Johnnie.

Best wishes for a speedy recovery.

Miss Bessie Macal, daughter of Mrs. Mary Macal of Cameron, is in a San Antonio Hospital, but her condition is some better now. She will return home soon for a two weeks vacation.

J. M. Boehner, new manager for the J. C. Penny Company, is visiting in Baton Rouge La. Mrs. Boehner will return with him.

## Promotion Day Here For Brownie Scouts

The public is cordially invited to attend the "Fly Up" program of the Brownie Scouts into the Girl Scouts at the Girl Scout Little House on Friday, February 13, at 4:15 p. m. There are seven Brownies who have reached the age of ten years and are privileged to become full-fledged Girl Scouts.

The Brownies and the Girls Scouts are very active, enthusiastic groups, interested in sports, hand crafts, home making and all the things that lead to good citizenship. There are seventeen Brownies under the leadership of Mrs. Bill Burns and Mrs. Lester Williams, and thirteen Girl Scouts whose leader is Mrs. Niley Smith, Jr. Mrs. Smith is assisted by Miss Henriem Hefley and Mrs. J. H. Britt.

Refreshments will be served at the conclusion of the program on Friday.

## Society News

### Jean Warner and Clinton Breeding Will Marry In Mid-February in Waco; Breeding Now Lieut. In Air Corps, Was Football Star in Cameron

Announcement is made today of the engagement of Miss Jean Warner, one of this season's debutantes, and Clinton Webster Breeding, son of Mrs. J. J. Bayard of Dallas. The bride elect, daughter of Mr. and Mrs. Asa Woodward Warner of 3026 Maple avenue, is a popular member of Waco society, having been active in social and church work for a number of years.

The wedding will take place in mid-February at Austin Avenue Methodist church. Dr. William H. Mansfield, pastor of the church, will be celebrant.

#### From Pioneer Family

Miss Warner, a descendant of a pioneer Waco family, was graduated from Waco High school and Baylor University, where she received her degree last June. She attended Gulf Park Junior college at Culpport, Miss., for two years. While there was chairman of the student body, president of the senior class and vice president of Phi Theta Kappa, national honorary scholastic fraternity. She represented Gulf Park college at the New Orleans Mardi Gras, and is a horsewoman of distinction, having won several awards in the ring.

While at Baylor University, the attractive bride-elect was prominent in campus activities, having been elected president of the DAP club, president of the Baylor Theatre, vice president of Memorial House council, member of Who's Who Among American University and College Students, and member of Alpha Psi Omega, national honorary drama fraternity. Miss Warner was chosen as the most representative member of the DAP club, and was duchess from McLennan County A. and M. Mothers' club to the annual Cotton ball held at College Station. She was formally presented to Waco society last November by Hedonia club, officers of which selected her as one of this season's debutantes.

#### He Attended Baylor

Mr. Breeding was graduated from Cameron High School and attended Baylor University for three years before enlisting in the United States army air corps. He will complete his training and receive his commission around the first of February at Brooks field, San Antonio.

Prominent in campus organizations at Baylor University Mr. Breeding was president of the Nose Brotherhood, president of the Esquire club, and a member of Baylor Chamber of Commerce. He was working on his bachelor of business administration at Baylor.

Numerous courtesies are planned to honor Miss Warner, dates for which will be announced by hostesses later in the week.—Waco News-Tribune.

#### STIDHAM-BASKIN

The marriage on December 30th of Miss Myrtle Stidham to John Lane Baskin, was revealed at a dinner on Thursday, February 5th given by the bride's mother, Mrs. Grady Stidham.

Miss Virginia Weems and Miss Norma Jean McElwrath, bride-elects, were also honorees and were presented with corsages of white ranunculus. The bride wore a corsage of blue iris.

The living room was decorated with blue iris, asclepias and picardy glads. On the buffet was a large bowl of white stock and white anemones in front of a large mirror, which reflected into the living room.

As the guests entered the dining room, the marriage was revealed by a double heart wedding cake iced in white with pink engraving, pierced by a floral arrow made of sweet peas and candy tuft.

A three course dinner was served to the following: Misses Mary Ellen Cottle, Kathleen Perrin, Lucille Stedman, Mildred Michalka, Irene O'Neill, Marion Vitano and Mrs. Billy Cooper of Waco and the honorees.

The bride is the daughter of Mr. and Mrs. Grady Stidham and is a student at the University of Texas and a 1941 B'ue Bonnet Belle Nominee.

Mr. Baskin is the son of Mr. and Mrs. Roy Baskin and a student in the University of Texas Medical School in Galveston. He is a member of the Phi Beta Pi Fraternity and a member of the Tejas Club at the University of Texas.

County Judge Jeff T. Kemp signed 560 Birth Certificates during the month of January which were old births that had not been recorded before. This does not include the new births of the month.

E. Denker, Cameron business man, is observing his 79th birthday today, February 11, 1942.

#### WOW MEETS

The Woodmen of the World and Woodmen Circle Grove 996 held a joint installation service at the WOW Hall on Tuesday night.

Mrs. Mary Ledbetter, Guardian of Myrtle Grove 44 of Waco, installed the officers. She was assisted by Mrs. Mary Scarmardo, also of Waco, and State Captain, served as Attendant. Mrs. Elizabeth Scarff served as musician.

The hall was beautifully decorated with red and white. The ceremony opened with Attendant Marie Ann Laake and Asst. Attendant, bringing the Holy Bible, the flag of the United States of America and the State flag, to the Guardian Station.

The distinguished guests were introduced as: Mrs. Laura Krebs, State Manager for northwest Texas and National Committeewoman of Austin. Mrs. Ella Mae Middlebrook,

District Manager of Waco. Mrs. Elizabeth Scarff District Musician of Waco, Mrs. Mary Scarmardo, State Captain of Waco, Mrs. Mary Ledbetter of Waco and Mamie Brannon, first Auditor of Waco. These ladies and new Guardian, Mrs. Marie Ann Laake were presented corsages from the Woodmen Circle Grove 996.

During the program which followed Mrs. Krebs spoke on the work of the circle in Red Cross and other phases of Defense work in which the Grove might participate.

Mrs. Middlebrook urged the Sovereigns to co-operate with the new Guardian and fulfilled their charges. Mrs. Mary Scarmardo discussed how to organize a Sewing Bee for the Red Cross.

Other short talks were made by Mr. Bailey of Austin, District field worker of the Woodmen of the World, Mesdames Elizabeth Scarff, Mary Ledbetter and Marie Ann Laake.

Sovereign Gladys Matyastik gave a reading "The Life of George Washington."

Misses Gloria Halberdier and Jane Lowe accompanying her on the piano, gave a flute solo "We Love Texas."

Refreshments were served to members and visitors from Austin, Waco, Buchholts, Jones Prairie, Curry and Cameron.

#### McELWRATH-WILSON

On Sunday morning at high noon at the First Methodist Church in Cameron, Miss Norma Jean McElwrath, daughter of Mr. and Mrs. D. M. McElwrath, became the bride of John Henry Wilson, III, son of John Henry Wilson, Jr., of Hearne. Rev. Bob Pool, pastor, performed the simple ring ceremony.

The bride wore a light blue suit with navy accessories and a single orchid.

Miss Catherine Monroe played the nuptial music and Mrs. Alex Triggs sang "Because."

Immediately after the ceremony the

bridal couple left for an unannounced wedding trip.

Mr. and Mrs. Wilson will make their home in the McGregor apartment here on their return.

#### BIRTHDAY PARTY

Mrs. Carl Black entertained her daughter, Martha Virginia, with a birthday party on Monday evening at her home. Martha Virginia was celebrating her 11th birthday.

The Valentine motif was carried out in the decorations of the home, narcissus and japonica being the only flowers used. The table was centered with a beautiful birthday cake, iced

in pink and decorated with japonica blooms and 11 blue candles. As each guest entered the honoree was presented with a gift.

Mrs. Don Slocumb assisted the hostess with the salad plate that was served to the 11 guests present, all members of Martha Virginia's class.

Those present were: Susan Rossen, Jane Flynn, Hortense Nabours, Sarah Swift, Marjorie Denson, Anita Dusek, Mary Sue Price, Joyce Rosenberg, Kathleen Eichenhorst, Bobby Jean Gropel and Margaret Horstmann.

## Bridge-time treat— chocolate logs a la Karo

You'll agree—these are the easiest-to-make, most inexpensive "fancy" cooky treats you ever made.

2/3¢  
each

#### CHOCOLATE LOGS

1/2 cup KARO (red label)  
1 square (1 ounce) unsweetened chocolate  
1 (2-ounce) package chocolate sprinkles  
1 square, one-egg cake (8" x 8" x 1/2" deep)

Place KARO and chocolate in saucepan; stir over low heat until chocolate is melted. Remove from heat, and stir until smooth. Cool. (If syrup becomes too thick for dipping, stir in 1 teaspoon boiling water.) Cut cake into logs, about 1/2 inch wide and 3 inches long. Dip logs into chocolate syrup, and roll in chocolate sprinkles. Place on rack to set. Makes 36 logs, 3" x 1/2" x 1/2".

Mrs. Lloyd Sanford visited Mrs. N. Y. Hayes the past week.

Eddie Storey is a patient in John Sealy Hospital. His many friends wish for him a speedy recovery.

Mrs. John Tindall and daughter Ruth were guests of their aunt, Mrs. Ben Baker Monday.

## NEWS FROM Maysfield

Mr. and Mrs. Maurice Walker and family of Meeks visited his parents Mr. and Mrs. W. T. Walker this week end.

The many friends here of M. R. Looney of Branchville will miss him when he leaves to take up his duties with the U. S. Marines.

Miss Aileen Thweatt is confined to her bed with the measles.

Dock Thweatt who has been on our sick list, is improved.

Louie Butts of Huntsville is visiting relatives here for a few days.

Mr. and Mrs. Jimmy Thweatt spent the week end in the home of her parents, Mr. and Mrs. Euel Walston of Branchville.

Maysfield was especially privileged on Sunday, February 8th, to have Mrs. Conway T. Wharton, a former Missionary of the Southern Presbyterian Church in the Belgian Congo, to speak three times in the Maysfield Church. Mrs. Wharton, formerly of Sherman, is the wife of the present pastor of the University Presbyterian Church in Austin and she and her husband went to the Congo in 1915, returning in 1928. Their experiences were varied and trying, but fruitful in the changed lives among the African tribesmen as well as among boys and girls in the mission schools.

Dr. Wharton and Rev. Wasburn another Missionary, rode the first motor cycles in the territory of a certain tribe, but they also carried the Gospel Light to many darkened minds, men being delivered from the "poison cup" and from the dominion of fear inspired in their minds by

medicine men.

Mrs. Wharton displayed at the night service a number of Congo curios, among them, clothes, headbands, bows, arrows and ornamented drinking cups, a long smoking pipe and a "dog bark." The African dogs do not bark and so a round shaped object is tied around them in front of their back legs to make a sound so they can follow them in the chase.

Mrs. Wharton's visit to Maysfield will long be remembered.

## POSTED NOTICE

My place known as the Janak farm located 11 miles northeast from Cameron is posted by law against trespassing of any kind.

# Are you SERVING the Vitamins you PAY FOR

Vitamin-saving is easier  
with modern **GAS** cooking

ALL THE FOOD PLANNING and careful marketing in the world cannot preserve the full food value unless care is exercised in the preparation of the food for the table

**SAVE VITAMINS** in food, because they work for your health-defense. Follow the suggestions made by health authorities based on rigid laboratory tests. Also, you'll find that a modern gas range is especially designed and equipped to cook foods the vitamin-saving way. Stop in at your earliest convenience and let us give you full details.

**FREE** Just off the press!—a 24 page booklet that is packed with information about what you should eat to get the proper vitamins from your food dollar. Get your free copy today at the gas company office.

## WHAT EVERY WOMAN SHOULD KNOW ABOUT VITAMIN-SAVING

- 1 Use very little water in cooking
- 2 Cook vegetables for the shortest possible time.
- 3 Cover utensils to keep air out
- 4 Avoid unnecessary stirring of vegetables.
- 5 Don't put in baking soda to brighten food colors.
- 6 Start vegetables in boiling water
- 7 Don't throw away vegetable liquids—use them in soups or cream sauces.
- 8 Keep foods as fresh as possible—use dependable automatic refrigeration.
- 9 Serve plenty of green vegetables.
- 10 Serve foods soon after cooking
- 11 Broiling is preferable to frying to retain vitamins.
- 12 Low-temperature roasting saves vitamins and minerals.
